markilux syncra

The ideal sun and weather protection system for large al fresco areas – outside yet still protected!

- sturdy, steel awning frame system in a minimalist design for two awnings
- available in two versions:
markilux syncra fix – awning frame with fixture plate to be screwed down
markilux syncra flex – free-standing awning frame to be weighed down with kerb stones on site
- each side can be used independently
- no posts underneath the awning
- can be erected directly on the patio or in your favourite outdoor spot
- awning fabric made of sunsilk perla FR – waterproof and flame retardant
- available as the markilux syncra with the markilux 6000, 5010, 1500, 1550, 1600, pavilion 2 or markilux 990
- depending on the awning model the markilux syncra flex is available as a single unit up to 700 cm in width x 350 cm or 550 cm x 400 cm per side
- depending on the awning model the markilux syncra flex is available as a single unit up to 510 cm in width x 300 cm per side
- the markilux syncra fix is also available as a coupled unit

markilux syncra uno NEW

- sturdy, steel awning frame system in a minimalist design for one awning
- specification as for the markilux syncra, however for one awning only
- fixture to the wall of the house is not necessary
- can be erected directly on the patio or in your favourite outdoor spot
- available as the markilux syncra with the markilux 6000, 5010, 1500, 1550, 1600, pavilion 2 or markilux 990
